For, Students of City College, Kolkata(Ahmarst St.) , who are passed out Graduates(any stream) & Final yr., students, who will be sitting for Final exams this year

Sub: : MNG Academy invites you all to attend a Career Counseling Session on Govt. Sponsored Skill Development Training(different job oriented courses) and Employment opportunities for Fresh Graduates & Final Yr.students on Behalf of CITY COLLEGE

Mahendra Nath Ghosh Educational and Welfare Trust (MNG) were established in March 2018 as a non-Profit charitable organization. It is promoted by a group of NRIs with a mission to promote quality education and training in West Bengal and adjoining states. It emphasizes the need of creating skilled workforce and entrepreneurs relevant to current and emerging business opportunities.

Over a span of one and half years, the Trust has taken up several initiatives with a view to achieve its mission. It has created 3 separate divisions viz. MNG Academy, MNG Healthcare and MNG InfoTech and has also set up well appointed training infrastructure in its 4 strategically located centres in Belghoria, Barasat, Golpark and Burdwan to offer its services to the aspiring candidates. Our state of the art infrastructure that houses our academy spans over 10000 sq. area, is situated in a landmark building at the most prominent locality in South Kolkata. This academy houses 10 large classrooms, computer labs and huge trade lab with all modern equipment & learning tools.

Recently , we are tied up with Govt. of West Bengal & Central Govt. in offering its most prestigious and promising skills development project named UTKARSHA BANGLA under the banner of PaschimBanga Society for Skill Development and Pradhan Mantri Kaushal Vikash Yojana (PMKVY) in the State of West Bengal.

Under these projects, we do conduct various Govt. Certified Job oriented Vocational Training courses for professional career growth for Passed out & Final Yr. Graduate students, followed by Job Placement Assistancess, pan India.

This Vocational Trainings, followed with Placement Assistancess in pvt., Companies , are totally Free of Cost. We don't charge anything from candidates or college. Our endeavors is to open up opportunities for unemployed youths to get themselves employable and in turn to establish in their professional lives.

Our next phase Trainings for all courses are starting from Feb2020 last week.

So, if you are interested, plz. call us to know details of the Seminar & get Registered Free of cost, immediately. In a batch we can accommodate max. 30 students.....HURRY UP !!!!

Infrastructure facilities at 4 Centers

The Trust has developed good infrastructure with classrooms, computer labs etc in its different centers in Gariahat (Corporate Office), Belghoria, Barasat and Burdwan in West Bengal.
