

Important Changes in the Admission process of AY 2022-23

Following important changes have been made in the admission process for the admission in Semester-I in City College vide CU Notification No. CSR/21/16 dated 6.5.2016.

1. Students qualifying 10+2 examination in 2018, 2019 and 2020 are allowed to apply for the admission.
2. **Chemistry** in 10+2 has been made a **non-compulsory** subject for admission in Botany (Hons), and Zoology (Hons).
3. New merit score calculation formula for Zoology (Hons) has been changed from

(Biology/Biotechnology/Zoology) x 2 + Chemistry x 2 + Aggregate (top 4)

to

(Biological Science/ Biology/Biotechnology/Zoology) x 2 + Aggregate (top 4)

The new formula is in vogue from 11.00 am of 27.07.2022.

Hence, the merit score printed in the auto-generated application form of the applicants who have applied for Zoology (Hons) before 11.00 am of 27.07.2022 **will change**.

In this context, applicants / guardians are requested to note that there will be no problem in the admission process due to this change.
