102/1, Raja Rammohan Sarani, Kolkata – 700009

ADVERTISEMENT FOR RECRUITMENT OF CRS PROJECT FELLOW

Applications are invited from eligible and motivated candidates for the position of **CRS Project Fellow (Junior-I)** under the **UGC-DAE Consortium for Scientific Research (UGC-DAE CSR), Collaborative Research Scheme (CRS)** project entitled:

“Synthesis and Characterization of RAIX (R = Rare Earth, X = Ge, Si) Semimetals and the Study of Their Thermoelectric and Magnetic Properties”

Project No.: CRS/2025-26/01/1687

Principal Investigator: Dr. Arindam Midya, Department of Physics, City College, Kolkata

Principal Collaborator, UGC-DAE CSR: Dr. Sanjoy Kr. Mahatha, Scientist-D, UGC-DAE Consortium for Scientific Research, Indore

Position: CRS Project Fellow (Junior-I)

Fellowship: ₹14,000/- per month + HRA, as per UGC-DAE CSR rules.

Essential Qualification

- M.Sc. in **Physics** or a relevant Science subject with a minimum of **55% marks**.
- The M.Sc. degree should have been obtained **not earlier than three years** from the date of application.

Desirable

Preference may be given to candidates having research experience/interest in:

- Experimental Condensed Matter Physics.
- Hands-on experience in sample preparation under an inert atmosphere.
- Hands-on experience in transport, thermoelectric, magnetic, and X-ray Photoelectron Spectroscopy (XPS) measurements.

Nature and Duration of Appointment

The appointment is purely temporary and will co-terminate with the CRS project. The project has a maximum duration of three years, subject to the successful completion and approval of each year's work.

The project work will be conducted at City College and the UGC-DAE Consortium for Scientific Research, Indore.

Selection Procedure

Selection will be made through an **open selection procedure** by a duly constituted Selection Committee as per the rules of the College. The recruitment process will be conducted in accordance with UGC-DAE CSR guidelines.

The interview/selection process will be conducted in **hybrid mode**.

How to Apply

Interested and eligible candidates may submit their **detailed CV along with scanned copies of educational qualification certificates/marksheets and other relevant documents** to the Principal Investigator's email given below.

Principal Investigator:

Dr. Arindam Midya

email: arindam.midya@citycollegekolkata.org.
