The University of Calcutta introduced the Choice Based Credit System (CBCS) in 2017, mandating a revised syllabus for all undergraduate courses across affiliated colleges. City College, in adherence to this system, offers a three-year B. Com Honours and B. Com General program. As part of the B. Com Honours curriculum, students in Semester VI are required to undertake a comprehensive dissertation cum Project, carrying a weightage of 100 marks.

Each student is assigned the task of preparing a project focusing on diverse subjects such as Accounting, Cost Accounting, Taxation, Banking, Marketing, Corporate Social Responsibilities, and more. Throughout this process, students receive guidance from a designated departmental professor. The culmination of their efforts results in the creation of a substantive project, showcasing their understanding and application of the chosen topic.

Upon completion, the projects undergo evaluation by both an internal and an external examiner on a predetermined date. This evaluation process ensures a comprehensive assessment of the students' academic work, contributing to the overall academic rigor and quality assurance within the B. Com Honours program at City College. Under CBCS system, which was introduced in 2017 by University of Calcutta framed the new syllabus to be followed by all the colleges having under graduate courses. City College offers B. Com Honours and B. Com General three years course. For the B. Com Honours three years course, students of Semester vi are required to prepare a dissertation cum Project comprising of 100 marks. Each student prepares a project on different topics like Accounting, Cost Accounting, Taxation, Banking, Marketing, Corporate Social Responsibilities and many more under the guidance of a departmental professor. This project is evaluated by an internal and an external examiner on a stipulated date.
