Activity report

All the students of English Honours Semester IV had participated in this special class on 'The historical aspect of the importance of Mongolian empire in relation to *Kubla Khan*'. The lecture was delivered by Prof. Subhadip Das, Department of English, Government General Degree College, Muragachha on 04.04.2023 for the students of Semester IV, English Honours, City College. This would help them in attaining a better knowledge about the less discussed history of the Mongol Empire and how it can be related in understanding the poem in their syllabus *Kubla Khan* by S. T. Coleridge.

The key points of benefit from this endeavour are listed bellow,

1. It was a humble attempt from the Department of English, City College to provide to its students a detailed idea about Genghis Khan and his mighty empire.

2. A detailed documentary about the Mongolian warfare and strategies of land acquisition was presented using coloured pictures.

3. This would increase their understanding about the historical aspects of Kubla Khan as a king.

4. This would not only help them in gaining interest in the poem, but also empower them with the knowledge of Asian history of conquest.

     The department feels satisfied with its objective being successfully fulfilled. Some glimpses of the event are as follows,
