Title: An invited talk on National Education Policy

Date: 03.08.23

Time: 12.00 pm

Venue: City College, Room No. 6

Collaborating Institution: Umeschandra College, 13 Surya Sen street, Kolkata - 700012

Speakers: Dr. Md. Tofazzal Haque, Principal of Umeschandra College

City College, in collaboration with Umeschandra College, organized an invited talk on the National Education Policy (NEP) in India. The event was held in Room No. 6 of City College from 12.00 pm, and it featured : Dr. Md. Tofazzal Haque, Principal of Umeschandra College.

## Key Points of the Seminar:

The speakers delivered an informative and insightful presentation on the National Education Policy (NEP) in India. He discussed several important points relating to NEP and how it is going to shape young minds in the future. He also highlighted the probable career choices available which would generate employment.

## Historical Background:

Dr. Haque provided a brief historical context of education policies in India, emphasizing the need for an updated and comprehensive NEP.

## Holistic Education:

He stressed the importance of holistic education, which focuses on not only academic knowledge but also the overall development of students, including their moral, ethical, and cultural values. He also mentioned the different professional avenues available for the students.

## Multilingualism:

Mr Haque discussed the NEP's emphasis on promoting Multilingualism encouraging students to be proficient in at least two languages, which is vital for a diverse nation like India.

## Flexible Curriculum

The speaker highlighted the flexibility introduced in the curriculum, allowing students to choose subjects based on their interests and talents.

Technology integration:

Dr. Haque discussed the incorporation of technology in education, emphasizing the role of digital learning resources and online education platforms in making quality education accessible to all.

Teacher Training:

He underscored the significance of teacher training programs to enhance the skills and capabilities of educators, ensuring that they can adapt to modern teaching methods.

Research and Innovation:

The seminar addressed the NEP's focus on research and innovation, encouraging academic institutions to promote a culture of research and entrepreneurship.

Conclusion:

The seminar on the National Education Policy in India, conducted at City College in collaboration with Umeschandra College, was an enlightening and engaging event. Dr. Md. Tofazzal Haque's presentation provided valuable insights into the key points of NEP, highlighting its potential to reshape the educational landscape of India and pave the way for a brighter future for the nation's youth.
