

# Awareness Program – Wildlife Awareness Rally & World Biodiversity Day

## Observation

In each year students are participating in a Wildlife Awareness Rally, organized by a NGO, “ANUBHAB – Expedition for Better Tomorrow” and also participate in ‘Poster’ and ‘Essay’ Competitions, organized by the same NGO after completion of the Rally and they won prizes from these completions, several times.

Department of Zoology organizes “World Biodiversity Day”, which must be distinctively appreciated in a way that the students of the department are well aware about the importance of Biodiversity to sustain the life on this Earth and this kind of awareness can be the one way to make the world free from the diseases and other environmental threats.
