Sub: Your letter dated 18.12.2018 and our program dated 11.02.2019

Sir,

We extend our sincere thanks to you for sending your student volunteers, led by one teacher, Sri Siddhartha Majumdar, to the annual program of our Club conducted at Dumki Bidyarthi Sangha. As discussed with you earlier, we conduct a round-the-year Off-school coaching centre at Village Dumki, 10 Kms from Canning in 24 Parganas (South). The Annual program, as your representative volunteers have observed, is conducted to provide stationeries and school bags to all our students as well as scholarships to a few meritorious girl students. Also, some poor local people are provided with mosquito nets, clothes etc.

The presence of your students helped us to conduct the programme smoothly. We also believe that the trouble they took in travelling from Kolkata to remote 24 Parganas (South) was more than compensated by the feel-good factor which they experienced from interacting with local villagers and participating in a good cause. We sincerely look forward to similar future participation from your teachers and student volunteers.

Regards

Asit Talukdar
