REPORT & RESOLUTIONS

Prof. Sandeep Prasad, convenor of the SCSTOBCM Cell, welcomed all the members of the Cell including the invitee member i.e. Prof. Shyamsundar Dhara, Convenor, Admission Committee- 2023-24 of the City College.

1. Confirmation of the proceedings of the last meeting held on 02.06.23

Resolutions of the last meeting of SCSTOBCM Cell are confirmed.

2. Matter arising if any

Some data of students of reserved category, who are awarded with scholarship, will be taken from the scholarship committees of the college.

3. Reporting of Admission on Reserved Category seats in admission - 2023-24

Prof. Shyamsundar Dhara, Convenor, Admission Committee, placed the department wise exact number of the candidates admitted on the Reserved Category

Prof. Dhara also informed that during admission in some departments the number of reserved category applicants was exhausted despite seats remaining. Since the number of applicants admitted was less and despite opening the application form several times, the reserved seats remained vacant and applicants were still left on unreserved seats. Therefore, for this specific year, with the permission of the Principal, the reserved seats were de-reserved in B.com. Accountancy (Hons.), B.com. General, Zoology (Major), English (Major) and admission was taken on the remaining seats.

However, the cell put the note of disagreement for the de-reservation and advised not to make precedence of this.

Prof. Dhara submitted the final data of admissions on reserved seats.

4. Miscellaneous

No matter arised.

The meeting ended with the vote of thanks of the convenor.
