Report:

The Department of Commerce at City College, Kolkata, hosted a career counseling session on November 16, 2018, with 174 students in attendance. Led by Prof. Pinku Gupta, a renowned Career Counselor, and convened by Prof. Indrani Hazra, the session aimed to empower commerce students for informed career decisions.

Prof. Pinku Gupta stressed the importance of aligning career choices with individual interests and skills, presenting various career opportunities from traditional roles like accounting and finance to emerging fields such as e-commerce and digital marketing. She emphasized the development of hard and soft skills, highlighting practical experience gained through internships and workshops, alongside communication, teamwork, and problem-solving abilities.

Academic excellence was a central theme, with Prof. Pinku Gupta emphasizing academic performance and strategies for excelling in studies. She encouraged students to stay updated with industry trends and advised networking with professionals to expand their knowledge and job prospects. The session also provided a platform for students to voice concerns about specific career paths, further education options, and the job market, with Prof. Gupta addressing these queries effectively.

In conclusion, Prof. Pinku Gupta's career counseling session equipped commerce students at City College with the knowledge and guidance to make informed career decisions. The department appreciates her expertise and Prof. Indrani Hazra's efforts in organizing the session, ensuring students embark on their professional journeys with confidence and determination. We wish them success and fulfillment in their future endeavors.

Report:

On February 5, 2019, the Department of Commerce at City College, Kolkata, conducted a career counseling session in Room No. 7A, attended by 175 students. Led by Prof. Kaushik Kamila, an experienced professional, and convened by Prof. Madhulima Mukherjee, the session aimed to provide insights into commerce-related career prospects, enhance employability, and address career-related queries.

Prof. Kaushik Kamila emphasized aligning career choices with personal interests and skills, introducing various career paths, from traditional roles like accounting and finance to emerging opportunities in e-commerce and digital marketing. He stressed the development of hard and soft skills, focusing on practical experience through internships, workshops, and certifications, with an emphasis on communication, teamwork, and problem-solving abilities.

Academic excellence was highlighted, with Prof. Kaushik Kamila underscoring the importance of maintaining high academic standards. He encouraged staying updated with industry trends and networking with professionals. Students had the opportunity to address concerns about their career paths, further education options, and the job market, all addressed by Prof. Kaushik Kamila.

In conclusion, Prof. Kaushik Kamila's career counseling session equipped commerce students at City College with essential knowledge and guidance for informed career decisions. The department extends gratitude to Prof. Kamila for his expertise and dedication and Prof. Madhulima Mukherjee for organizing this successful session. Students are now better prepared to pursue their chosen career paths with confidence and determination, and we wish them success and fulfillment in their future endeavors.

Report:

On November 29, 2019, the Department of Commerce at City College, Kolkata, conducted an enlightening career counseling session in Room No. 6, attended by 198 students. The session, titled "Career Guidelines after Graduation," was led by Prof. Madhulima Mukherjee, a respected academic, and was impeccably convened by Prof. Pinku Gupta.

Prof. Madhulima Mukherjee provided valuable insights into post-graduation career choices, emphasizing the importance of aligning career paths with personal interests and skills. She delved into various career opportunities available to graduates, spanning traditional roles like accounting and finance, as well as emerging fields like e-commerce and digital marketing. Prof. Mukherjee underscored the development of both hard and soft skills, with an emphasis on gaining practical experience through internships, workshops, and certifications, while also highlighting the importance of communication, teamwork, and problem-solving abilities.

The session also placed a significant focus on academic excellence, with Prof. Madhulima Mukherjee offering strategies for excelling in studies and staying updated with industry trends. Students seized the opportunity to seek guidance on career options, further education, and the job market, all of which were addressed comprehensively by Prof. Mukherjee.

In conclusion, the career counseling session equipped commerce students at City College with essential knowledge and guidance for informed career decisions post-graduation. The department extends its gratitude to Prof. Mukherjee for her expertise and Prof. Pinku Gupta for organizing this successful session. Students are now better prepared to pursue their chosen career paths with confidence and determination, and we wish them success and fulfillment in their future endeavors.

SUMMARY: In Addition to syllabus oriented classroom teaching the Department of Zoology is very much concerned about the future Career planning and development of its students. Thus the Department organises both online and offline seminars mostly with final semester students to discuss various openings and opportunities for the transformation of their Graduate knowledge, attitudes and skills in appropriate places. Three teachers emphasised three different angles of such future pathways. Dr Mitra focused on various disciplines of post graduate study where Zoology graduates can be best fitted. Various multidisciplinary Universities and Institutions all over India, Modalities of the entrance Exams, prior preparation for each type of discipline with detail information and respective website links were provided to students. Dr Karmakar emphasised a special and interesting fields, i.e. Wild life and Ecology. He literally taught the students how to Build-up Academic as well as job Career in these subjects, provided all related information to them. Dr Das put attention for both would be Honours and General Graduates who are willing to seek job oriented careers after graduation. He made them aware of different such fields related to Bioscience where irrespective of girls and boys students can get entry. He also provided all information related to the procedure of application and preparation of different competitive exams for getting those jobs. After each presentation students interacted with the speakers for different clarification.

Report:

An online career guideline programme was organized by IQAC City College, Kolkata on November 29, 2021 for the Students of B.A. Stream. It was a time of COVID-19 pandemic and an online program was the only option for our students to give an outline about their future career. Students have enrolled online earlier through google form. Our speaker, Ms. Chandrima Mozumdar is an eminent personality and associated with Employment Exchange Department of Govt. of West Bengal. The started with a speech from our respected Principal Dr. Sital Prasad Chattopadhyay followed by a welcome note by our IQAC Coordinator, Dr. Arnab Chaudhuri. Ms. Chandrima Mozumdar discussed in detail about various avenues of different kinds of government jobs through employment exchange. She had also talked about non-government job opportunities for students of B.A. stream after graduation and how to aim and prepare for the same. At the end, there was a question-answer session where she answered queries of our student participants with great enthusiasm. It was a very successful programme and our students were benefitted a lot with the multifaceted discussion about their future career options with respect to job opportunities. The programme ended with a vote of thanks to all the stakeholders.

Report on Seminar/Workshop(Criteria: 3.1.3) SEMINAR: GUIDELINES FOR CAREER AFTER GRADUATION

ORGANIZED BY : DEPARTMENT OF ZOOLOGY, CITY COLLEGE

SPEAKERS:

1. DR ARKADEEP MITRA, ASSISTANT PROFESSOR IN ZOOLOGT, CITY COLLEGE, KOLKATA-700009
2. DR KRISHNENDU DAS, ASSISTANT PROFESSOR IN ZOOLOGT, CITY COLLEGE, KOLKATA-700009

DATE: 01.04.2022

TIME: 11.30 AM – 1.30 PM

VENUE : ZOOLOGY GENERAL LAB

NO. OF PARTICIPANTS: 28 (6TH SEM ZOOA STUDENTS)+8 (TEACHERS)

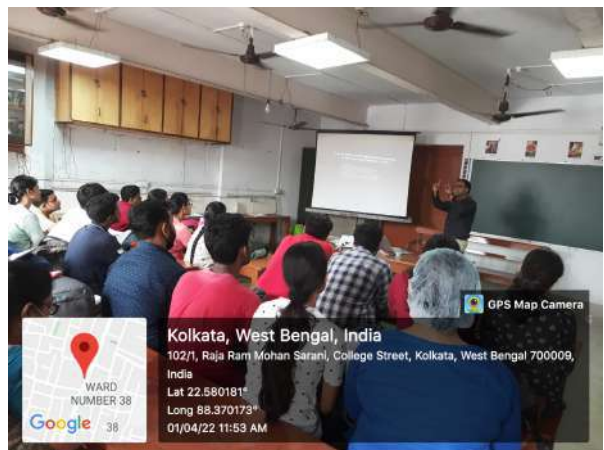

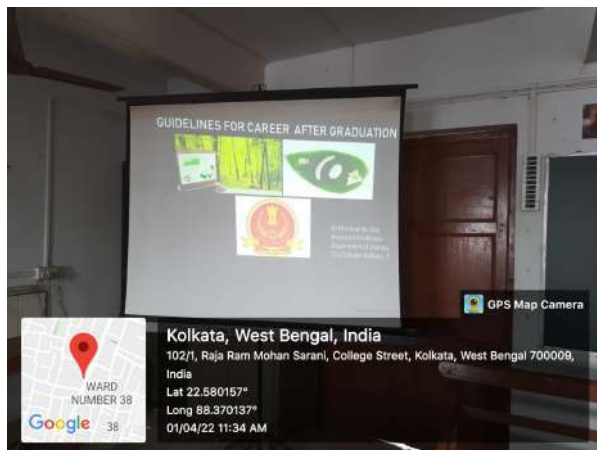

SUMMARY: Department of Zoology organised a seminar for guiding the 6th SEM Zoology Hons. Students about the planning and development of their future Career. Two teachers emphasised different angles of their future prospects. Dr Mitra focused on their academic career. Through ppt presentation, he discussed various disciplines of post graduate study where Zoology graduates can be best fitted. Different multidisciplinary Universities and Institutions all over India, Modalities of the entrance Exams, prior preparation for each type of discipline with detail information and respective website links were provided to students. Students were also enriched with pros and cons of abroad study for their academic career. Dr K Das emphasised mainly on job related Career from the subject of Zoology after graduation. He provided lots of information on various fields for their future settlement. Criteria and qualification for those jobs, Preparation for different employment-exams, future prospects of these fields etc were discussed in detail with ppt presentation. The seminar ended with a valuable questionnaire session.

2. **DR ARKADEEP MITRA**, ASSISTANT PROFESSOR IN ZOOLOGY, CITY COLLEGE, KOLKATA-700009

DATE: 29.04.2023

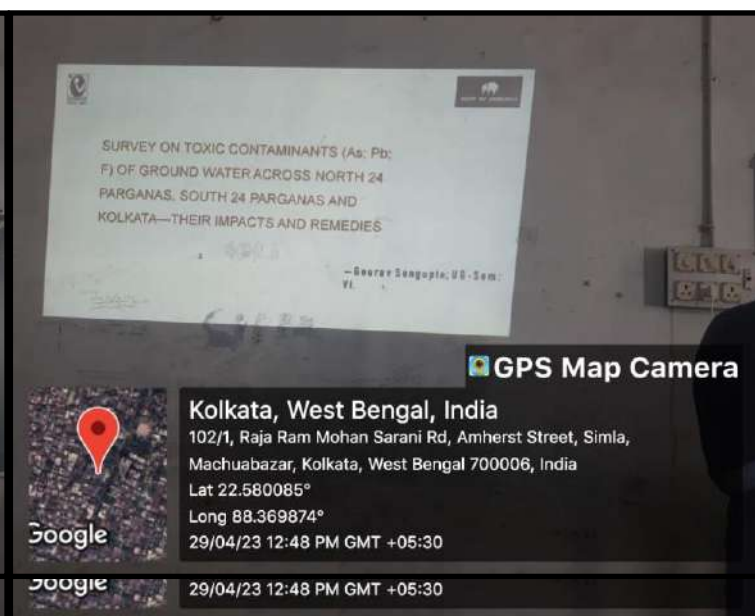

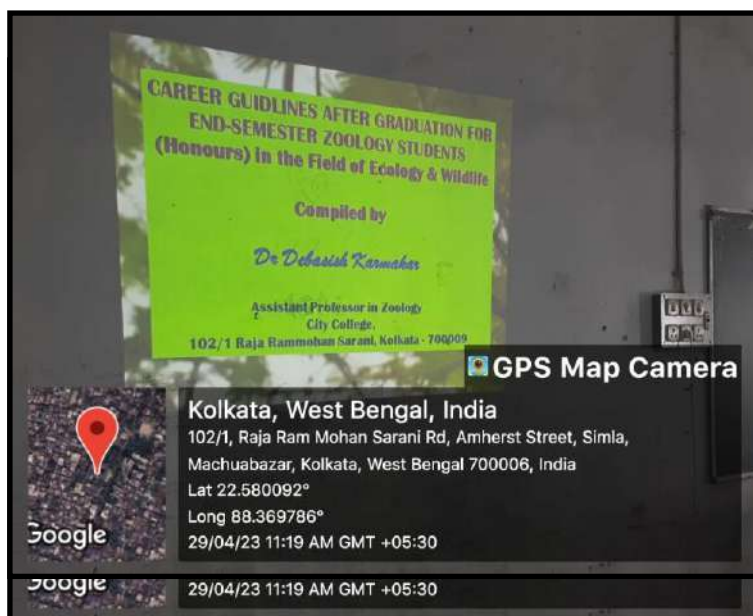

TIME: 11.00 AM – 03.30 PM

VENUE: ROOM NO. 29

NO. OF PARTICIPANTS: 43 (37 STUDENTS OF 6TH SEM Biological Science with ZOO+6 TEACHERS & NT STAFF)

Summary

Department of Zoology, City College, Kolkata, organised a seminar especially for the students of 6th SEM Zoology Honours to extend a picture impression about the scopes/opportunities and planning for their future Career Build-up with a special emphasis on common academic field and arena of Ecology and Wildlife Biology. Dr Debasish Karmakar put his deep endeavour to collect the current data and updated information about various entrance examinations and courses offered by venerated Wildlife Institutes of India, like WII, BNHS, SACCON, ZSI etc. and Dr Arkadeep Mitra made his informative presentation including opportunities for Post-graduate Courses in various streams and related subjects in different Universities and Institutes all over India. He also extended information about Integrated Ph. D. Courses, how to prepare for NET, SET, GATE, JAM etc. examinations. After having required qualification how to apply for Ph. D and after completion of Ph. D. how and where to apply for Post-doc were also furnished in his presentation. After completion of each presentation the topic was opened for discussion and nearly a half-an-hour prolonged interactive session was conducted by both Dr Karmakar and Dr Mitra, separately with the students to meet their queries and inquiries. The seminar ended with handful applause and appreciation from the corners of the students and other audience.

SACON Coimbatore Courses & Fees

Salmi All Centre for Ornithology and Natural History, Coimbatore

After the above process has been completed, the student needs to complete his profile after logging into his using the User ID and password sent through Email and SMS. A student may also use a registered Email ID as a username to log in.

After successful registration, a confirmation message is sent through SMS/Email.

The student will receive the confirmation for successful registration of his/her registered contact number and Email address through an Email or SMS with the help of Internet/2G.

The eligibility criteria for the Students who are willing to Science, has to fulfil the requirement. Salmi All Centre for Ornithology & Natural History eligibility is mentioned below:

- Students must have to qualify bachelor's degree with minimum 50% marks from a recognized government and private college.
- Students should not have any backlogs in any subject.
- Moderation to the reserved category (SC/ST/OBC) students to score 45% marks at least.
- Should have completed 10+2 from a recognized board or institute for Science.
- You should have a basic knowledge of the subject.
- Students should qualify the entrance examination and interviews conducted by the respective colleges.

Some Venerated Wildlife Institutes for Career Build-up in the Field of Ecology & Wildlife Conservation

Zoological Survey of India (ZSI), HC, Kolkata

The Zoological Survey of India (ZSI) was established on 1st July, 1916 to promote survey, explore, research leading to the advancement in our knowledge of various aspects of exceptionally rich biodiversity (British Indian Empire). The survey has its genesis in the establishment of the Zoological Survey of India Museum at Calcutta in 1915. It gradually strengthening its staff and expanding its research programme, the survey has met the challenge of the past and is on its way to meet the demands of the future. It has maintained its primary objectives unchanged from its inception.

Module	Subjects	Duration
Module-1	Biodiversity of India: A profile-Act, Treaties & Conventions in Forest Conservation	2 weeks
Module-2	BS and Remote sensing	2 weeks
Module-3	Ecological principles and methods	2 weeks
Module-4	Microscope and Digital imaging including SEM	2 weeks
Module-5	Statistical applications in biodiversity studies	2 weeks
Module-6	Preservation Procedures in Herbaria (including concepts in Dendrogeography)	1 week
Module-7	Molecular Taxonomy	4 weeks
Module-8	Submission of Dissertation including a 1-week session on how to write a research proposal	8 weeks

Forest Research Institute (FRI), HC, Dehradun

Forest Research Institute (FRI), Dehradun, India, was established as a forest research institute in 1906. It is the largest research institute in India. It is a premier institution for research and training in forestry. It is a member of the International Council for Game and Animal Conservation (CICGAC) and the International Council for Scientific Data Collection (ICSDC). It is also a member of the International Council for the Study of the Forest (ICSF).

After reorganization of Forestry Research in the country and creation of Indian Council of Forestry Research and Education (ICFRE) in 1995, the training and research centres were given an independent status of Institutes.

Forest Research Institute, over one of the institutes under ICFRE, was considered the status of Deemed University in December 1998 on the recommendation of the EAC, Ministry of Human Resource Development, Government of India.

Institute has played a crucial role in providing the technical resources in quest of knowledge and research. Therefore, FRI also provide amenities to students and scholars of other institute/universities for internships in various divisions of the institute.

Applicants may apply for internship with any faculty of scientist through proper channel based in their interests and prior experiences. Applicants have to send a letter through their head of institution/university to Registrar, FRIDU along with their CV and mark-sheets of secondary and senior secondary and graduation/post-graduation. Applicants will be required to submit a report to the FRIDU after completion of the internship.

Courses Offered

- M.Sc. Forestry
- M.Sc. Environment Management
- M.Sc. Cellular and paper technology
- M.Sc. Wood Science and technology
- M.Sc. Forestry
