CITY COLLEGE

Established 1881

With hundred and fifty years of élan and excellence, City College, Calcutta is a name in intelligentsia to boastfully enjoy the glory of the Bengal Renaissance which enlightened the entire country.

Tradition and modernity, legacy and technology, history and vision have put the college as an institution on the educational map of the country creating an Indian Diasporas across the world. After the first NAAC accreditation in 2007, the college has been in gradual progression and takes various steps for implementing diverse value enhancement processes during the post accreditation period.

The City College originated from a seabed of widespread educational movement in Bengal towards the latter part of the 19th century by the magnanimous members of the “**Sadharan Brahmo Samaj**”. Since then, the **Brahmo Samaj Education Society (BSES)** with its illustrious background in the field of education has been entrusted with an extraordinary role to elevate the City College to its zenith as a seat of learning. During the period when only a few Government educational institutes were present and those were exclusively for the children of rich and well off families and studying in the Government schools and colleges were the day-dream of the innumerable students belonging to under privileged families, BSES came forward and started its journey by establishing number of educational institutions for the marginalized middle class of Bengal. The dream came true with the establishment of City College which started as a High school by **Anandamohan Bose, the first Wrangler of Bengal**, on 6th January 1879. The wholehearted support and assistance from **Pandit Shivnath Shastri** and **Rastraguru Surendranath Bandyopadhyay** made the road smooth for establishing the school. The school was opened with the objective of educating Indian students irrespective of castes and creeds on an improved and comprehensive plan. Academic learning for degrees was not the end-result in the aim but the school also had a strong motivation in educating a student to become a perfect and ideal man to the society. Gradually the school improved to meet all the requirements of a university affiliation.

In 1881, the City school was expanded to a first-grade college. **Sir Alfred Croft** (the then Director of Public Institutions) observed in his official report that '*the unaided City College of Calcutta occupied a unique and distinguished position in regard to the reading of science*'.

By the year 1920, the college was preparing students for the B.A. examination in English, Sanskrit, Political Economy and Political Philosophy, History and Persian and also for the B. Sc. Examination in Mathematics, Physics and Chemistry. In 1939, a Commerce Department was opened. This was followed by the inauguration of the Women's department in 1943.

Now there are 15 departments in the college and each department is equipped with highly qualified teaching, non-teaching staff, libraries and laboratories as per requirement of the present day.

In 2013, Ministry of Human Resource Development selected the college suitable for running its pilot project of Community College scheme. As a result the 'Community College of City College' is now en route a new destination for job-oriented disciplines in the state.

Several luminaries as scions of *Bengal Renaissance* including ***Deshbandhu Chitta Ranjan Das, Sir Surendranath Bandyopadhyay, Dr. Rajendra Prasad (Former President of India), Harendra Kumar Mukhopadhyay (Former Governor of West Bengal), Umesh Chandra Dutta, Bhashacharya Suniti Kumar Chattopadhyay, Jibanananda Das and Muhammad Shahidulla*** taught at this College and did us a proud generation to follow.

Under the careful guidance of **BSES**, City College from its modest start has grown in to a mighty institution during the last 140 years. It gradually attains a highly glorious position in the sphere of higher education in Bengal and has planned to augment further to join the race of fast moving advances of science, technology and education in all spheres of life.

In 2017, Government of West Bengal took over the administration of the City College and since then it is running as one of the aided colleges of West Bengal.

SEC 6.1 Chg	Computerized Accounting and e-Filing of Tax Returns	100	4
DSE 6.1 A**	Financial Reporting and Financial Statement Analysis	100	6
DSE 6.2 A**	Financial Management	100	6
		300	16

ABBREVIATIONS

Chg: Common for Honours and General; **Cg:** Core Course for General

OPTIONS:

**Or DSE 6.1 M (Retail Management and Marketing of Services (50+50) & DSE 6.2 M (Rural Marketing and International Marketing (50+ 50)

**Or DSE 6.1 T (Indirect Tax: Laws and Practices)

& DSE 6.2 T (Tax Procedures and Planning)

**Or DSE 6.1 e-B (Internet & WWW and Functional e-Business System (50+ 50)

& DSE 6.2 e-B (Computer Applications and e-Business Applications - Practical (50+ 50)

Note : College offers only DSE – ‘A’

SUMMARY FOR B.COM. GENERAL

		Marks	Credit Hours
Ability Enhancement Compulsory Course (AECC)	Two Papers	200	2× 2= 04
Skill Enhancement Elective Course (SEC)	Two Papers	200	2× 4= 08
Generic Elective (GE)	Four Papers	400	4 × 6 = 24
CORE COURSE (CC)	Eleven Papers	1100	11 × 6 = 66
Discipline Specific Elective (DSE)	Four Papers	400	4 × 6 = 24
		2300	Total 126

Question Pattern of End Semester Examinations

Proposed Question Pattern of different papers of B.Com 3-year Honours and General Course under Semesterised CBCS

Semester I

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Micro Economics (GE 1.1 Chg) – Module I			MCQ
2	Statistics (GE 1.1 Chg) – Module II			MCQ
3	Business Laws (CC 1.2 Chg)			MCQ
4	Principles of Management (CC 1.2 Chg)			MCQ
5	Financial Accounting – I (CC 1.1Ch & CC 1.1 Cg)	5 10 15	5 4 1	8 6 1

Semester II

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	E-Commerce(GE 2.1 Chg) – Module I			MCQ
2	Business Communication (GE 2.1 Chg) – Module II {*English only}	4 6 10	2 2 2	3 3 3
3	Company Laws (CC 2.2 Chg)			MCQ
4	Marketing Management (CC 2.2 Chg) Module I Human Resource Management (CC 2.2 Chg) Module II			MCQ
5	Cost & Management Accounting – I (CC 2.1Ch & CC 2.1 Cg)	5 10 15	4 3 2	6 5 3

Semester III

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Information Technology (SEC 3.1 Chg) – Module I			MCQ
	Module II (Practical)			
2	Business Mathematics (GE 3.1 Chg) – Module I Statistics(GE 3.1 Chg)- Module - II	4 6 10	2 2 2	3 3 3
3	Company Laws (CC 2.2 Chg)			MCQ
4	Financial Accounting – I (CC 3.1Ch & CC 3.1 Cg)	10 15	5 2	8 3
5	Indian Financial system (CC3.2 Ch)	5 10	4 6	6 9

Semester IV

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Micro Economics II (GE 4.1 Chg)-Module I Indian Economy (GE 4.1 Chg)- Module II			MCQ
2	Entrepreneurship Development (CC 4.1 Chg) – Module I Business Ethics(GE 4.1 Chg)- Module - II			MCQ
3	Taxation I – I (CC 4.1Ch & CC 4.1 Cg)	5 10 15	4 3 2	6 5 3
4	Cost & Management Accounting – II (CC 4.1Ch & CC 4.1 Cg)	5 10 15	2 4 2	3 6 3

Semester V

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Auditing & Assurance (CC 5.1 Ch & CC 5.1 Cg)	5 10 15	3 5 1	5 8 2
2	Taxation II (CC 5.2 Ch & DSE-A 5.1 Cg)	5 10 15	5 4 1	8 6 2
3	Macro Economics (DSE-A 5.1)-Module I Advanced Business Mathematics (DSE-A 5.1) -Module II	2 6 10 4 8	1 3 2 4 3	2 5 3 6 5
4	Corporate Accounting (DSE 5.2 A- Honours & General)	10 15	5 2	8 3

Semester VI

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Computerized Accounting and e-Filing of Tax Returns (SEC 6.1Chg) (Practical)			
2	Project Work (CC 6.1 Ch)			
3	Financial Reporting & Financial Analysis (DSE-A 6.1 - Honours & General	5 10 15	3 2 3	5 3 5
4	Financial Management (DSE-A 6.2 - Honours & General)	5 10	4 6	6 9

- Multiple Choice Questions be **grouped under two categories** based on the marks assigned to the questions. For each of the subjects / papers (with 80 marks in the End Semester Examination), **except the subject of Mathematics and Statistics (GE 1.1 Chg and GE 3.1 Chg)**, group I shall consist of 20 (twenty) questions of 1(one) mark each and group II shall consist of 30 (thirty) questions of 2 (two) marks each. For subject/paper/module with 40 marks in the End Semester Examination, **except the subject of Mathematics and Statistics (GE 1.1 Chg and GE 3.1 Chg)**, group I shall consist of 10 (ten) questions of 1(one) mark each and group II shall consist of 15 (fifteen) questions of 2 (two) marks each.
- In case of **Statistics or Business Mathematics (with 40 marks of end semester examination)**. Group I shall contain 10 (ten) questions carrying 2 (two) marks each and Group II shall carry 5 (five) questions of 4 (four) marks each.
- **One-fourth (1/4th) of marks** assigned to any question **be deducted for wrong answer** to that question, i.e., if any student provides correct answer to 15 questions carrying 1 mark each and 5 wrong answers to the questions carrying 1 mark each, he/she be awarded 13.75 marks [$15 \times 1 - 5 \times (1/4)$] out of 20.

14. Sri Arkonil Das (S.R.)
15. Sri Sayan Pan (S.R.)
16. Sri Subhojit Paul (S.R.)

TEACHING AND EVALUATION

LEARNER-CENTRIC METHODS

Greater participation by the recipients of knowledge is a key factor in the process of education. Keeping this in mind, the College encourages learner-centric teaching methods. Thus, students' seminars, group-discussions and subject-related quizzes are conducted throughout the course. All these help the students to have a better grasp of the subjects.

EVALUATION

As per the new CBCS system, all students in all courses (Honours and General) will have to go through internal assessment which will carry considerable weightage in their final mark sheet. There will be 10% weight on internal assessment test(s) per paper, while 10% weight will be assigned to attendance performance. Apart from the above, the students will have to sit for tutorials, which will carry 15% weight for non-lab-based subjects. For lab-based subjects (Physics, Chemistry, Botany, Physiology and Zoology), there will be a 30 marks practical component per paper of 100 marks.

LABORATORIES

The College has spacious laboratories for the different science departments. Besides, the Departments of Commerce, Physics and Mathematics have separate Computer Labs.

REMEDIAL TEACHING

Additional classes are arranged on the determination of strength and weakness of students. Question-answer classes are arranged to prepare the students for university examination.

LIBRARY

The College has an excellent Central Library containing multiple copies of text and reference books in all relevant areas of the subjects taught. Reference books are available on a wide range of subjects and include encyclopedia, dictionaries, trade and other directories, Govt. publications, World Bank publications, etc. Collection of Newspapers and periodicals in the Library covers current affairs and a wide range of subjects. There are over 40,000 books and 15 Journals in the Library. The stock and services of the Library are aimed at catering to the needs of the students, teachers and researchers alike.

Library cards are issued at the beginning of the academic session. Fee books are to be

produced at the time of Membership registration. Loss of the card must always be reported to the Librarian immediately. Fresh Card may be obtained on payment of a nominal fine.

The Library is a member of UGC N-LIST (National Library and Information Services for Scholarly Content) programme, through which the users can access full text peer-reviewed electronic journals of various disciplines. Broad Band Internet facilities are available for searching e-resources. The Library provides OPAC (On-line Public Access Catalogue) service for searching books.

Honours students in different subjects are offered special facilities for study through the 'Seminar Libraries' attached to different departments under their respective Heads. Students will be required to surrender their cards at the end of each session and/or submit clearance certificates from the Central Library or Seminar Library, as the case may be, to the office at the time of the issuance of Transfer certificates or when they are going to be sent up for University Examinations. It may be noted that even outgoing students are provided access to the Library through issue of a Special Card.

A separate section containing documents on different careers and employment opportunities has been established in the Library in association with the Career Guidance Cell of the College.

SIGNIFICANT ACTIVITIES OF THE COLLEGE

National Conference on Future India – Science & Technology in City College, Kolkata 700 009, to commemorate the National Science day

On 27th and 28th February, 2019 City College, Kolkata 700009, organized a two days National Conference in collaboration with the Indian Science Congress Association (ISCA), Kolkata Chapter in the City College Campus. The title of the conference was **Future India – Science & Technology**, which is at par with the slogan of the Indian Science Congress for the year of 2019.

The conference was attended by over 300 participants from various part of the country and from abroad. The inaugural session was ornamented with a nice Vedic chant. The gorgeous inauguration was illuminated by eminent scientists from different scientific spheres of India. Among them there were three Vice Chancellors of universities and three Presidents of Indian Science Congress Association. The VCs were Prof. A. K. Saxena of Munger University, Prof. D. Chattopadhyay of Amity University and Prof. A. K. Verma of Adamus University. The Past President of ISCA Prof. A. K. Saxena, the present President of ISCA Prof. Manoj Chakraborty and President elect for the session 2020-21 Prof. (Smt) V.L. Saxena, were present to grace the occasion.

A beautiful Abstract Book has been inaugurated in this occasion by the special guests of the conference.

In this conference, ISCA felicitated two eminent Scientists, Dr. Dilip Mahalanobis and Prof. Ashish Kumar Verma, VC, Adamas University with the highly prestigious **ISCA Jawaharlal Nehru Birth Centenary Award**. After the felicitation, the audience had the opportunity to hear from the awardees about their scientific activity and achievements.

There were two Plenary Lecture sessions in this Conference. The plenary lectures were studded with the valuable deliberations from renowned scientist of the West Bengal. They were **Prof. Dhrubojyoti Chatterjee**, VC, Amity University; **Dr. Abhijit Majumdar**, Faculty, IEST, Howrah; **Prof. Dulal Mukhopadhaya**, Emeritus Prof. Calcutta University and **Prof. Jayanta Bhattacharjee**, Indian Association for the Cultivation of Science.

There were nine Scientific Sessions and a highly interesting Poster Session from different branches of science. These were Medical/Veterinary & Pharmaceutical Sciences; Mathematical Sciences and Computer Sciences; Physical Sciences & Engineering &

Technology; Agriculture and Environmental Sciences; Information technology and Library Sciences; Life Sciences; Chemical Sciences, etc. All the sessions were efficiently coordinated by reputed scientists of the respective field and actively attended by the participants.

ACADEMIC ENCOURAGEMENT

Several departmental seminars are organized by the college with the enlightening talks of the eminent personalities in the respective subject. In 2019 a National Level Conference is organized in collaboration with Indian Science Congress Association, Calcutta Chapter. Apart from that students are encouraged with lucrative awards and Lectures in specified and general field

AWARDS FOR THE ACHIEVERS

There are several Awards for the achievers of different departments and of the college in their respective of examinations of the University of Calcutta

1. N. M. BASU MEMORIAL AWARD for the Highest Mark Holder in Zoology Honours from the City College in the final year of the University of Calcutta
2. J. N. MUKHERJEE MEMORIAL AWARD for the Highest Mark holder in Physiology Honours from the City College in the final year of the University of Calcutta
3. S. N. BASU MEMORIAL AWARD for the Highest Mark holder in Chemistry Honours from the City College in the final year of the University of Calcutta
4. S. S. SINHA MEMORIAL AWARD for the Highest Mark holder in Chemistry from the City College in the final year of the University of Calcutta
5. A. N. BHATTACHARYA MEMORIAL AWARD for the Highest Mark holder in Physics Honours from the City College in the final year of the University of Calcutta

DIFFERENT MEMORIAL LECTURES

These lectures are arranged every year by the respective departments. Eminent personalities of the respective fields are invited for delivering talk before the students of the college

1. N. M. BASU MEMORIAL LECTURE in ZOOLOGY
2. J. N. MUKHERJEE MEMORIAL LECTURE in PHYSIOLOGY

The Covid-19 Pandemic And College Activity

The covid-19 pandemic, also known as the corona virus pandemic, is an ongoing global [pandemic](#) of [corona virus disease 2019](#) (covid-19), caused by [severe acute respiratory syndrome corona virus 2](#) (sars-cov-2). This covid-19 pandemic is the defining global health crisis of our time and the greatest challenge we have faced since world war ii. As of 28 July 2020, [more than 16.4 million cases](#) of covid-19 have been reported in [more than 188 countries and territories](#), resulting in [more than 654,000 deaths](#); more than 9.59 million people have recovered.

Sometime in the second week of march, state governments across the country began shutting down schools and colleges temporarily as a measure to contain the spread of the novel corona virus. It is closed for over 4 months and there is no certainty when they will reopen. This is a crucial time for the [education](#) sector; the pandemic has significantly disrupted the higher education sector as well, which is a critical determinant of a country's economic future.

Needless to say, the pandemic has transformed the centuries-old, chalk-talk teaching model to one driven by technology. This disruption in the delivery of education is pushing policymakers to figure out how to drive engagement at scale while ensuring inclusive e-learning solutions and tackling the digital divide. A multi-pronged strategy is necessary to manage the crisis and build a resilient indian education system in the long term.

Online students benefit from a flexible schedule that allows them to attend class from anywhere.

Teachers of different colleges and universities have started taking online classes for students in the city because of the lockdown triggered by the corona virus, using various online platforms, such as "discord, skype, google meet, team link, zoom, etc. Etc. Our teachers were not far away. Several online classes were conducted by most of the departments and a report was also sent to the state govt. As required. In addition, to keep the students and teachers engaged and motivated, the college organized several online seminars (webinars) on recent topics covid 19), quiz contest, debate contest, etc; some of which are listed below:

City College

102/1, Raja Rammohan Sarani, Kolkata-700 009, India.

International Webinar
Jointly organized by Dept. of Botany & IQAC

Topic. COVID-19: Pathogen, Immunity and Hope

Dr. Debajyoti Ghosh

Scientist, University of Cincinnati College of Medicine, USA
Fellow of The American Academy of Allergy, Asthma, Immunology (AAAAI)

Date: 20/06/2020 Time: 7.30 PM -8.30 PM

Topic. COVID-19: Treatment avenues and Vaccine

Dr. Bodhisattwa Saha

Dept. of Chemistry, University of Oxford, England
Royal Society Newton International Fellow

Date: 21/06/2020 Time: 7.00 PM -8.00 PM

NATIONAL ON-LINE SEMINAR "COVID-19 PANDEMIC- CHALLENGES AND CONQUEST FOR STUDENTS"

Organized jointly by
Departments of Chemistry and Zoology, & IQAC,
City College,
102/1, Raja Rammohan Sarani, Kolkata-700009,
West Bengal.

Till date, there is no treatment of this COVID 19. Doctors and scientists have suggested many preventive measures to combat this pandemic. We are all following these instructions. We also know that vaccine is on its way and will be available very soon. Stay safe. Hope for a healthy, safe and worth living earth.

**WE ALL WILL SURELY OVERCOME THIS PANDEMIC SITUATION IN
NEAR FUTURE.**

CAMPUS SUPPORT SYSTEM

GRIEVANCE REDRESSAL CELL

The college has a Grievance Redressal Cell comprising teaching staff for redressal of grievances from students. Anonymous letters of complaint shall not be entertained. The Complainants are required to drop their complaints into Grievance Drop Box in the vicinity of Vice-Principal's room.

CONCESSION OF FEES

There is a system of fee-waiver for poor but meritorious students. Students desirous of availing of the opportunity must apply to the College authority after the publication of the relevant notice. Financial assistance is also extended to deserving students in respect of University examination fees.

RAILWAY CONCESSION

Students are entitled to travel by rail at a concessional fare subject to certain conditions. Necessary information in this regard may be obtained from the College office.

STUDENTS' CANTEEN

There is a subsidized students' canteen in the College premises.

MEDICAL UNIT

A tie up with students' Health Home provides medical benefits to students at a nominal charge. The college provides emergency medical support to students.

BOOK STALL

There is a book and stationery stall in the College premises, where most text books are available. It is a great help for the students who can find the recommended books at their doorstep.

CAREER AND COUNSELING CELL

The basic objectives of the Cell are threefold: (a) to sensitize the students about opportunities, both in their pursuit of higher studies and in their search for jobs, (b) to groom them for the job market, and (c) arranging for campus interview of final year students. A small beginning has already been made in respect of placement, as a few final year Commerce students/ fresh Science graduates have received job offers from reputed companies.

A small beginning has already been made in respect of placement, as a few final year Commerce students/ fresh Science graduates have received job offers from reputed companies.

DEVELOPING A HEALTHY CAMPUS LIFE

COMMON ROOM

The College has a spacious Common Room with facilities for playing indoor games like Table Tennis, Carrom and Chess.

There is a separate Common Room for girl students. Indoor games facilities are available in this Common Room as well.

EXTRA-CURRICULAR ACTIVITIES

The College encourages different types of extra-curricular activities of students such as development of civic responsibilities, leadership through self governance, broadening of outlook and cultural development. The College authority encourages the development of a healthy campus life. Students can avail of the following opportunities to pursue their extra-curricular interests.

STUDENTS' UNION

All students of the College are members of the Union which functions through a Representative Committee democratically elected by the students of different classes and sections. It is managed by the students themselves under the guidance of a president elected/selected by the elected body of students' union from among the teaching staff. The students' union provides a common platform where students from different social background and communities develop a sense of collective action. The union also provides financial assistance to the poor but deserving candidates of the college. This apart, it also organizes a cultural fest 'sangri-la' and promotes corporate life of the students. Sangri-la gives the students of City College the opportunity to express their talents.

COLLEGE ANNUAL MAGAZINE

The College publishes an Annual Magazine, rich with contributions from present and ex-members of the staff, students and alumni. The Annual Magazine is published by the Students' Union under the guidance of a committee comprising teachers and students.

GAMES & SPORTS

As the college is committed to all round development of the students, the college encourages sports activities both indoor and outdoor with special emphasis on cricket and football; organizes intra-class cultural competitions and annual sports meet.

The College attempts to promote sports and games as a matter of policy. Thus, an admission quota for sportspersons has been instituted. Besides, sporting achievements are duly recognized through special facilities offered to deserving players. The College participates in various tournaments organized by Calcutta University as well as by State-level Sports Bodies like the CAB, IFA, and WBTTA etc.

The College has a fully equipped modern gymnasium, where health conscious students and members of the staff can pursue a fitness programme. Inaugurated in early 2005, the multigym remains open on all working days during the College hours. One qualified trainer provides necessary guidance and instructions during exercise.

This pro-sports stance has yielded impressive results in different categories of games and sports, notable among which are the following:

Winner of CAB organized Inter College Cricket tournament in 2008.

Runners up in C.U. organized Cricket tournament in 2011-12.

Runners up in Football tournament at North Calcutta district meet in 2011-12, 12-13, 13-14

Winner of Athletics meet organized by North Calcutta district in 2013-14.

Women's stable tennis team coming 2nd in Inter College C.U. Competition in 2013-14 besides being winner in 2012-1

Organizing an inter-college sports meet (Athletics, Football & Badminton) for nongovernment colleges in 2016.

ALUMNI ASSOCIATION

The City College Alumni Association provides a forum for periodic interaction among ex-students of this Institution. The current students are expected to benefit immensely from this Association through contact with the alumni, many of whom can offer career guidance to the younger generation. It is an apolitical organization maintaining liaison between the present and the past and promoting multidimensional activities.
