CITY COLLEGE

Established 1881

With a hundred and fifty years of élan and excellence, City College, Calcutta is a name in intelligentsia to boastfully enjoy the glory of the Bengal Renaissance which enlightened the entire country.

Tradition and modernity, legacy and technology, history and vision have put the college as an institution on the educational map of the country creating an Indian Diasporas across the world. Since the first NAAC accreditation in 2007, the college has been in gradual progression and takes various steps for implementing diverse value enhancement processes during the post-accreditation period.

The City College originated from a seabed of widespread educational movement in Bengal towards the latter part of the 19th century by the magnanimous members of the “**Sadharan Brahma Samaj**”. Since then, the **Brahmo Samaj Education Society (BSES)** with its illustrious background in the field of education has been entrusted with an extraordinary role to elevate the City College to its zenith as a seat of learning. During the period when only a few Government educational institutes were present and those were exclusively for the children of rich and well-off families and studying in the Government schools and colleges was the day-dream of the innumerable students belonging to underprivileged families, BSES came forward and started its journey by establishing a number of educational institutions for the marginalized middle class of Bengal. The dream came true with the establishment of City College which started as a High school by **Anandamohan Bose, the first Wrangler of Bengal**, on 6th January 1879. The wholehearted support and assistance from **Pandit Shivnath Shastri** and **Rastraguru Surendranath Bandyopadhyay** made the road smooth for establishing the school. The school was opened with the objective of educating Indian students irrespective of castes and creeds on an improved and comprehensive plan. Academic learning for degrees was not the end result in the aim but the school also had a strong motivation in educating a student to become a perfect and ideal man to the society. Gradually the school improved to meet all the requirements of a university affiliation.

In 1881, the City school was expanded to a first-grade college. **Sir Alfred Croft** (the then Director of Public Institutions) observed in his official report that '*the unaided City College of Calcutta occupied a unique and distinguished position in regard to the reading of science*'.

By the year 1920, the college was preparing students for the B.A. examination in English, Sanskrit, Political Economy and Political Philosophy, History and Persian and also for the B. Sc. Examination in Mathematics, Physics and Chemistry. In 1939, a Commerce Department was opened. This was followed by the inauguration of the Women's department in 1943.

Now there are 15 departments in the college and each department is equipped with highly qualified teaching, non-teaching staff, libraries and laboratories as per requirement of the present day.

In 2013, the Ministry of Human Resource Development selected the college suitable for running its pilot project of Community College scheme. As a result, the 'Community College of City College' is now en route to a new destination for job-oriented disciplines in the state.

Several luminaries as scions of Bengal Renaissance including Deshbandhu Chitta **Ranjan Das**, **Sir Surendranath Bandyopadhyay**, **Dr. Rajendra Prasad (Former President of India)**, **Harendra Kumar Mukhopadhyay (Former Governor of West Bengal)**, **Umesh Chandra Dutta**, **Bhashacharya Suniti Kumar Chattopadhyay**, **Jibanananda Das** and **Muhammad Shahidulla** taught at this College and did us a proud generation to follow.

Under the careful guidance of **BSES**, City College from its modest start has grown into a mighty institution during the last 140 years. It gradually attains a highly glorious position in the sphere of higher education in Bengal and has planned to augment further to join the race of fast-moving advances of science, technology and education in all spheres of life.

In 2017, the Government of West Bengal took over the administration of the City College and since then it is running as one of the aided colleges of West Bengal.

PRINCIPAL'S MESSAGE

“Education is the manifestation of the perfection already in man”—Swami Vivekananda

I have greatly rejoiced that City College can provide the students with one of the best environments in West Bengal that students can expect from a college for learning. Our mission is to achieve perfection in life through education. Education drives away ignorance and exposes us to the unending sphere of illumination. It gives one the power to achieve the goal righteously by means of thought and action. Thus education enables the students to earn their living with respect. To accomplish our goal, the college is maintaining an environment that gives way to the development of thought and ideas.

I wish the best to all who contribute to the noble task of spreading education and also to my beloved students.

Sital Prasad Chattopadhyay

KOLKATA-700073
The 14th September, 2017

(Prof. Dr. Rajagopal Dhar Chakraborti)
Registrar (Acting)

AECC-1: Communicative English / MIL; AECC-2: Environmental Studies

UNIVERSITY OF CALCUTTA

Notification No. CSR/ 10 /18

It is notified for information of all concerned that the Syndicate in its meeting held on 28.05.2018 (vide Item No.12) approved the some amendments in the Examination Regulations for B.Com. (Honours & General) courses of study under CBCS (notified earlier under Notification No.CSR/64/17 dated 14.09.2017) under this University, as laid down in the accompanying pamphlet.

The above shall be effective from the academic session 2018-2019.

SENATE HOUSE
KOLKATA-700073
The 30th May, 2018

(Dr. Santanu Paul)

Deputy Registrar

Clause 7.1.3 will be read as :

End Semester Examinations will be held for 80% of the total marks in each paper / subject / module and Internal Assessment shall be for 20% of the total marks of each paper / subject / module. 50% of the total marks assigned to Internal Assessment (i.e. 10 marks for a full paper of 100 or 5 marks for a Module of 50, as the case may be) will be assessed on the basis of Internal Examination in **written form** and remaining 50% will be assessed based on the class attendance (**6 marks for attending 60% or more but less than 75% of the number of lectures delivered; 8 marks for attending 75% or more but less than 90% of the number of lectures delivered; and 10 marks for attending 90% or more of lectures delivered**, and such attendance will be calculated from the date of commencement of classes or date of admission whichever is later).

3	Macro Economics (DSE-A 5.1)-Module I Advanced Business Mathematics (DSE-A 5.1) -Module II	2 6 10 4 8	1 3 2 4 3	2 5 3 6 5
4	Corporate Accounting (DSE 5.2 A- Honours & General)	10 15	5 2	8 3

Semester VI

	Subject /Paper	Marks in Each Question	No. of Questions to be Answered	No. of Questions to be set
1.	Computerized Accounting and e-Filing of Tax Returns (SEC 6.1Chg) (Practical)			
2	Project Work (CC 6.1 Ch)			
3	Financial Reporting & Financial Analysis (DSE-A 6.1 - Honours & General)	5 10 15	3 2 3	5 3 5
4	Financial Management (DSE-A 6.2 - Honours & General)	5 10	4 6	6 9

- Multiple Choice Questions be **grouped under two categories** based on the marks assigned to the questions. For each of the subjects/papers (with 80 marks in the End Semester Examination), **except the subject of Mathematics and Statistics (GE 1.1 Chg and GE 3.1 Chg)**, group I shall consist of 20 (twenty) questions of 1(one) mark each and group II shall consist of 30 (thirty) questions of 2 (two) marks each. For subject/paper/module with 40 marks in the End Semester Examination, **except the subject of Mathematics and Statistics (GE 1.1 Chg and GE 3.1 Chg)**, group I shall consist of 10 (ten) questions of 1(one) mark each and group II shall consist of 15 (fifteen) questions of 2 (two) marks each.
- In case of **Statistics or Business Mathematics (with 40 marks of end semester examination)**. Group I shall contain 10 (ten) questions carrying 2 (two) marks each and Group II shall carry 5 (five) questions of 4 (four) marks each.
- **One-fourth (1/4th) of marks** assigned to any question **be deducted for wrong answer** to that question, i.e., if any student provides a correct answer to 15 questions carrying 1 mark each and 5 wrong answers to the questions carrying 1 mark each, he/she be awarded 13.75 marks [$15 \times 1 - 5 \times (1/4)$] out of 20.

ACADEMIC DEPARTMENTS

Department of Bengali

The department of Bengali was established in 1920. Within a short period of time, teaching of Bengali as an honours subject was initiated. Besides curricular studies, discussion on literature and other related topics are encouraged to stock the interests of the students. The teachers are well accessible and try to provide timely feedbacks on their queries. The departmental library is also a significant source of assistance to the students. The department can claim many illustrious alumni, and at the same time has been fortunate to receive the services of many legendary teachers.

Department of English

The Department of English is one of the prestigious departments of this college. The department underwent several academic and co-curricular activities during the last few years like **Exuberance** (Departmental Freshers' Welcome), **Departmental Farewell**, **Rabindra Jayanti**, **Online InterCollege Quiz Competition**, **Online Debate and Crossword Puzzle Competition**, **Covizen Part-I** in 2020 and **Covizen Part-II** in 2022.

As the first wave of COVID-19 forced a nationwide lock-down all the educational institutions along with other sectors were taken aback due to the sheer unprepared for the circumstances. When sustainability of life became a matter of anxiety, education and cultural activity went much down on the priority list. At such a critical juncture our institution decided to stick to the important values of our nation in whichever way possible. An official YouTube channel was created to transform the cultural and other related activities to the digital platform. Students from various departments including former students performed singing, dancing, recitation etc from their home and sent video recordings. Those recordings were compiled into a single large video and uploaded onto the said YouTube channel on 08 May 2020 in order to celebrate Rabindra Jayanti in online mode.

Online inter college Quiz competition 2020: It was observed that the forced isolation during the COVID-19 lock-down situation was slowly destroying the free spirit of the student community.

Though we were trying our best to boost their energy level in online classes, a complete substitute for their physical meeting and enjoying the warmth of friendship was not possible. A humble attempt was made in collaboration with Chakdah College and Sree Gopal Banerjee College to increase the involvement and energy level of students by arranging an online quiz on 23 June 2020.

Online debate and cross word puzzle competition 2020: It was also observed that not all the students are comfortable in quiz. In order to accommodate students who would prefer some recreational creative activity we had organized an online debate and cross-word puzzle competition as well with the same collaboration as mentioned above on 24 June 2020. These two online competitions catered students not only from Kolkata and surroundings but from North and South 24 Parganas, Burdwan, Nadia and Berhampur as well.

Faculty Members

Subodh Sarkar is an Associate Professor in English at City College. He is also a noted Indian Bengali poet, editor and translator. He received the West Bengal Bangla Academy Award for poetry in 2000. His PhD is on the hyphenated identities of Indian American women writers writing in English. He is also the author of another reference book named "Pioneer" published by the same publishing house. He wrote a research article Partition of India, the Unhealed Wound published in ISPaD Partition Center Journal 2019, New York with ISSN 2377-7567. He is also a research scholar in the Department of English, Centre for Studies in Social Sciences affiliated under Jadavpur University. His special areas of interest are Romantic Literature, Modernism, Theatre studies and Partition literature. Before joining City College as an Assistant Professor he had also worked as an Assistant Professor in Amdanga Jugal Kishore Mahavidyalaya under West Bengal State University.

Department of Sanskrit

Departmental Activities attach great importance to the intellectual development of our students along with class teaching. The department arranged subject-related special discussions for our students in class. The Faculty members tried to motivate our students to be able to take in different types of books, not just textbooks. For the students' educational trip, the department took them to the Indian Museum in Kolkata. The department has organized several meetings with the parents of the students to share their academic, retention and intellectual development information. The department organized one day 'State Level Webinar' on 'Sanskrita Sahityadisa: Manavakalyane Visve Ahimsaya Avadanam' on 31st August 2020.

Faculty Members

1. Dr. Madhumita Deb Roy Barman (Former HOD, 2012 to 2022) B.A, MA, M.PHIL, PhD in Sanskrit. Specialization – Literature

Topic: *Abrogation of Article 370: A positive step in Indian Federalism.*

CULTURAL PROGRAMME- SURTARANGA

The Department of Political Science at City College organised a virtual reunion "Surtaranga" on 16/05/2021 which also featured poetry recitations and musical performances by the students of the department.

Department of Philosophy

The Department of Philosophy is one of the oldest departments of city College. Apart from lecture method, the department encourages the learning of students through presentation of short seminar papers by the students, group discussions of the students in presence of teachers, question answer session by students.

Microteaching and informal teaching is done in small groups even beyond scheduled contact hours. Publication of departmental magazine under the guidance of teachers.

The teachers keep a eye on each student's weakness and strength in respect of the preparation of University examination. The students also keep constant touch with the department after graduation, even after postgraduation for personal and academic counseling. In consequence the department has a nice strength of alumni who are teaching in schools and colleges.

Teachers participate in the U.G.C. assisted seminar organized by colleges & University. The teachers are also associated with various administrative and organizational activities in the college and also academic activities in the university. One of the faculty members is currently serving the University as a member of the Board of studies in process of syllabus revision, especially in the realm of Indian Philosophy.

Department of Economics

Economics Department equips its students with an ability to look into the data available, to make an independent assessment of the functioning of the economy around. It also initiates the query where to find relevant quantitative and qualitative data to assess the present situation as well as what may be the possible outcomes of various policies adopted at the local, national and international levels, like the possible cause of a war on oil prices, inflation etc.

It also helps the students to develop an analytical mind to take responsibilities at administrative levels to assess the welfare requirements of the poor and backward people, who constitute the major population of this country. It also tries to develop public speaking capabilities through departmental seminars, and quiz competitions among students, who come from urban as well as rural backgrounds, which in turn help them to face the interview board in their later lives, also to become good teachers imparting a curious mind among the future students.

To impart knowledge, we encourage students to borrow books on academic and extra-academic issues, particularly on various current economic and social crises arising nationally and internationally. Post-covid outcomes in various fields like health, and livelihoods have become a major area of concern in the Department, after the College reopened since November 2021. To understand the livelihood of the bookseller, we organised a primary data survey on 'Livelihood Changes, if any, between Pre and Post-pandemic situation of Booksellers' at College Street, Kolkata with our students and teachers.

□ List of Activities in recent years

1. Jointly organised Webinar on "Investor Awareness" on 25.02.2022 by Dept. Of Economics and Dept. Of Commerce in collaboration with Bombay Stock Exchange.
2. Excursion to RBI Museum on 22.04.2022
3. Webinar on "Externalities, Decision Making and the Role of the Government" on 23.04.2022
4. Conducted a Primary data Survey on "Livelihood Changes, if any, between Pre and PostPandemic Situation of Booksellers" in College Street.
5. Programme in the occasion of 'RabindraJayanti' will be organised by the students of Dept of Economics on 07.05.2022.
6. Webinar on "The 'Wizard of Oz': The Monetarist Model, The Gold Standard and The Social Cost of Inflation- A Piece of Economic History in The Guise of A Kids' Story" on 20.06.2022.

Department of Mathematics

In City College, the department of Mathematics was started in 1920 under the University of Calcutta.

About sixty six (66) students are admitted in Honors Course in the 1st semester of degree class each year. There are five full-time faculty members now engaged in teaching.

Students enjoy various learning resources like Departmental Seminar Library, Computer Laboratory. Students are evaluated through periodical class tests conducted by the faculties throughout the year. Many students of this department are now successfully placed in various fields of work in India and Abroad.

Mathematics department of City College is one of the oldest department and occupies a unique position in the academia of the City College. The department attempts to provide a comprehensive education that instills within its students a philosophy that values not only learning and professionalism but also contribution and commitment to the advancement of community. It has nurtured an impressive collection of brilliant students. We provide a learning environment that helps students identifying goals and the means to achieve them. Mathematics and allied subjects students who have graduated from this college, have gone on to join leading institutions throughout India. The

department's vision is to continue on its success and develop into a well-rounded academic department of the college.

Department of Physics

City College Physics Department was established in the year 1939. This Department is one of the oldest science departments of the college. The honours course in physics was introduced in 1947.

There are two UG courses viz., Honours Course and General Course; both are of three years duration. There are six full-time teachers, two SACT teachers and one GLI in the Department. There is a departmental library, in addition to the central library of the college, which caters to the need of its Honours students. This library contains more than 1000 books. The Department has produced

innumerable students both Honours and General throughout the years. Besides teaching, the Department organizes class-wise seminars and prepares students for Quiz competitions, Group discussions etc. The students can express their views independently through their writing in the Departmental Magazine (FOCUS) and teachers guide them properly in this regard. Above all, the faculty members are always ready to render all possible assistance and supervision to students within and outside the campus as and when required. Accordingly, students get through the final examination with flying colours every year and go for further higher studies in various Universities, IITs, NITs, and JEST Institutions.

Department of Chemistry

The department of Chemistry is one of the oldest department of City College. It has a set of highly motivated teachers, some of whom are involved in advance research activities. A few of our faculty members are actively engaged in popularizing science. The department runs a seminar Library for its honours. (B.Sc.) students, which provides them for intensive studies. There are about 300 books in this library. Our Labs are well-equipped to run honours and general courses.

Research Project:

Title: Polynuclear Metal Complexes Based on Extended π -Conjugated Double and Triple Schiff Base Ligands – Syntheses, Characterization, and Properties

Principal Investigator : Dr. Pampa Guha, Department of Chemistry
Duration of the Project : From March, 2022 to March, 2025
Project Grant Funding Agency : Government of West Bengal, Science & Technology and Biotechnology Department

(WBDSTBT) Date: 25.3.2022

Departmental Activities:

1. An online student seminar has been organised for Semester 6 Honours students on 13.05.22.
2. Semester 2 Honours students participated in an Inter-college quiz competition, CHEMATHON-II, organized by Adamas University on 10.06.22.
3. An online magazine 'Chemazine' has been published on 08.05.2022

Department of Zoology

Departmental Profile and Activities

The Department of Zoology is one of the pioneer Departments of City College. Way back in 1939, the Bioscience Department started its journey with Prof. Hemendra Chandra Mukherjee as Head of the Department. In 1956, the Bioscience Department took a giant leap in starting Zoology Honours course with Dr. N. M. Bose as Head of the Department. Apart from teaching in the under-graduate course, the current teachers are also involved in teaching in different Post graduate departments of other Colleges and Universities. Many teachers are also engaged in active research and publish regularly in reputed International journals. The Department possesses a rich Seminar Library, Well-equipped Laboratories, Museum of vast zoological specimen collection etc. The Department actively involves its students in various extracurricular activities like scientific exhibition and seminars, **PanIndia project work**, wildlife awareness programmes, cultural activities and different social activities like blood donation camp at state and national levels in order to encourage them beyond the institutional education. Students' performance is evaluated through regular class tests, internal assessments etc. The department arranges Parents-Teachers meeting for better monitoring of students and Career guidance-lectures to help the students to plan their future appropriately.

Students are also encouraged by awarding '**N. M. Basu Memorial Merit Award**' for securing highest marks in Calcutta University Examination in Zoology Honours from this college. The department also extends its academic collaboration towards some other UG colleges by organizing workshops.

Department of Botany

Botany Department of City College started in the year 1939 and Honours Course was started in the subject in 1945. At present, the department has six full-time teachers and three SACT – II teachers. The faculty members specialized in all the different areas of the subject and all of them take part actively in seminars, workshops and other academic activities. Alumni of this department are now established in our country and abroad. In recent past covid time also the department organized seminar and teachers took on line classes on regular basis for improvement of students.

Botanical excursions with both Honours and General Course students, wall magazine, workshops and seminars, students' seminars etc. are within the priority list of the department. Herbarium and Seminar Library are two important assets of the department. In the last year, Botany Department has actively participated to celebrate “Science Day” with other science departments of the college on 25.02.2022 and individually celebrated “ World Health Day” on 07.04.2022. A special lecture was delivered by Dr. Partha Karak on “Climate Change”.

Faculty Members

1. Dr. Sital Prasad Chattopadhyay (Principal)
2. Dr. (Mrs.) Sujita Datta Ghosh
3. Dr. Rupak Kumar Sengupta
4. Dr. (Ms.) Nandini Chakrabarti , HOD
5. Dr. Arghya K. Hait
6. Dr. Arkajo Majumdar
7. Dr. Partha Karak
8. Smt. Saayela Chowdhury
9. Smt. Sutapa Gupta
10. Ms. Sandhya Dutta

Department of Physiology

The department of Physiology of City College, Kolkata is the second oldest department under the University of Calcutta achieving the glory of running B.Sc., Honours course successfully in West Bengal, India. It was started from the session 1964-65, although the subject Physiology was taught as a general (pass) subject before this time.

At present the department has six fulltime faculties holding the positions of Associate Professor and four partime faculties. There are three full-time and one casual laboratory assistants.

Every year, 45 students get the opportunity for studying three-year Physiology Honours degree course and more than 100 students get admission for general course with the Physiology as one of the subsidiary subjects. The overall performance of our students is excellent.

At present the department has separate laboratories for both Honours and general students. There are laboratories like Histology, Biochemistry and Experimental Physiology. Experiments are done on both human and animal subjects. There are separate computer room, seminar library, seminar room and a small conference room. Beside tight schedule of holding theoretical and practical classes the department performs several activities like :

1. Annual prize distribution ceremony of the department and scientific lecture in the memory of Dr. J. N. Mukherjee, founder and ex-Head of the department of Physiology. Dr. J. N. Mukherjee memorial award (a silver medal) is conferred to the student of Physiology honours securing highest marks in his/her honours subject in final examination. For this purpose a fund was created by the faculties of the department. The memorial lecture is delivered by an eminent scientist mostly an ex-student of the department.
2. Publication of quarterly wall magazine, **Neo-Physiologist**, which reflects the current trends in physiology as well as the thinking of our students.
3. An educational excursion and project work for the final year honours students.
4. Regular parent-teacher meeting for evaluating the progress of the student.
5. Departmental seminar and class test.
6. Regular interaction with our ex-students, who have earned international reputation in the scientific arena. Recently, two of our ex-students, Br. Birendranath Mullick of J.N.U., New Delhi and Dr. Bhaskar Saha, National Centre for Cell Science, Pune got the S.S. Bhatnagar Award.
7. Ongoing research project is being conducted by the departmental teachers, funded by the U.G.C.

10. Sri Subrata Das, Non-teaching Staff, Member, Co-ordinator

TEACHING AND EVALUATION

LEARNER-CENTRIC METHODS

Greater participation by the recipients of knowledge is a key factor in the process of education.

Keeping this in mind, the College encourages learner-centric teaching methods. Thus, students' seminars, group-discussions and subject-related quizzes are conducted throughout the course. All these help the students to have a better grasp of the subjects.

EVALUATION

As per the new CBCS system, all students in all courses (Honours and General) will have to go through internal assessment which will carry considerable weight age in their final mark sheet. There will be 10% weight on internal assessment test(s) per paper, while 10% weight will be assigned to attendance performance. Apart from the above, the students will have to sit for tutorials, which will carry 15% weight for non-lab-based subjects. For lab-based subjects (Physics, Chemistry, Botany, Physiology and Zoology), there will be a 30 marks practical component per paper of 100 marks.

LABORATORIES

The College has spacious laboratories for the different science departments. Besides, the Departments of Commerce, Physics and Mathematics have separate Computer Labs.

REMEDIAL TEACHING

Additional classes are arranged on the determination of strength and weakness of students. Questionanswer classes are arranged to prepare the students for university examination.

LIBRARY

The College has an excellent Central Library containing multiple copies of text and reference books in all relevant areas of the subjects taught. Reference books are available on a wide range of subjects and include encyclopedia, dictionaries, trade and other directories, Govt. publications, World Bank publications, etc. Collection of Newspapers and periodicals in the Library covers current affairs and a wide range of subjects. There are over 40,000 books and 15 Journals in the Library. The stock and services of the Library are aimed at catering to the needs of the students, teachers and researchers alike.

Library cards are issued at the beginning of the academic session. Fee books are to be produced at the time of Membership registration. Loss of the card must always be reported to the Librarian immediately. Fresh Card may be obtained on payment of a nominal fine.

The Library is a member of UGC N-LIST (National Library and Information Services for Scholarly Content) programme, through which the users can access full-text peer-reviewed electronic journals of various disciplines. Broad Band Internet facilities are available for searching e-resources. The Library provides OPAC (On-line Public Access Catalogue) service for searching books.

Honours students in different subjects are offered special facilities for study through the 'Seminar Libraries' attached to different departments under their respective Heads. Students will be required to surrender their cards at the end of each session and/ or submit clearance certificates from the Central Library or Seminar Library, as the case may be, to the office at the time of the issuance of Transfer certificates or when they are going to be sent up for University Examinations. It may be noted that even outgoing students are provided access to the Library through issue of a Special Card.

A separate section containing documents on different careers and employment opportunities has been established in the Library in association with the Career Guidance Cell of the College.

CAMPUS SUPPORT SYSTEM

GRIEVANCE REDRESSAL CELL

The college has a Grievance Redressal Cell comprising teaching staff for redressal of grievances from students. Anonymous letters of complaint shall not be entertained. The Complainants are required to drop their complaints into the Grievance Drop Box in the vicinity of Vice-Principal's room.

CONCESSION OF FEES

There is a system of fee-waiver for poor but meritorious students. Students desirous of availing of the opportunity must apply to the College authority after the publication of the relevant notice. Financial assistance is also extended to deserving students in respect of University examination fees.

RAILWAY CONCESSION

Students are entitled to travel by rail at a concessional fare subject to certain conditions. Necessary information in this regard may be obtained from the College office.

STUDENTS' CANTEEN

There is a subsidized students' canteen in the College premises.

MEDICAL UNIT

A tie-up with students' Health Home provides medical benefits to students at a nominal charge. The college provides emergency medical support to students.

BOOK STALL

There is a book and stationery stall in the College premises, where most text books are available. It is a great help for the students who can find the recommended books at their doorstep.

CAREER AND COUNSELING CELL

The basic objectives of the Cell are threefold: (a) to sensitize the students about opportunities, both in their pursuit of higher studies and in their search for jobs, (b) to groom them for the job market, and (c) arranging for campus interview of final year students. A small beginning has already been made in respect of placement, as a few final year Commerce students/ fresh Science graduates have received job offers from reputed companies.

A small beginning has already been made in respect of placement, as a few final year Commerce students/ fresh Science graduates have received job offers from reputed companies.

STUDENT SUPPORT SYSTEM

Sl. No.	Name of the Support System	Convenor	Phone No.
1.	Kanyashree Prakalpa	Dr. Sreyasi Dutta	9333690957
2.	SVMCM Scholarship	Sri Sandeep Prasad	9333545942
3.	Aikyashree Fellowship	Masiur Rahaman Sardar	9830458374
4.	Student Credit Card	Masiur Rahaman Sardar & Dr. Arkajo Majumdar	9830458374 8670937014

DEVELOPING A HEALTHY CAMPUS LIFE

COMMON ROOM

The College has a spacious Common Room with facilities for playing indoor games like Table Tennis, Carrom and Chess.

There is a separate Common Room for girl students. Indoor games facilities are available in this Common Room as well.

EXTRA-CURRICULAR ACTIVITIES

The College encourages different types of extra-curricular activities of students such as development of civic responsibilities, leadership through self-governance, broadening of outlook and cultural development. The College authority encourages the development of a healthy campus life. Students can avail of the following opportunities to pursue their extra-curricular interests.

STUDENTS' UNION

All students of the College are members of the Union, which functions through a Representative Committee democratically elected by the students of different classes and sections. It is managed by the students themselves under the guidance of a president elected/ selected by the elected body of students' union from among the teaching staff. The students' union provides a common platform where students from different social background and communities develop a sense of collective action. The union also provides financial assistance to the poor but deserving candidates of the college. This apart, it also organizes a cultural fest 'sangri-la' and promotes corporate life of the students. Sangri-la gives the students of City College the opportunity to express their talents.

COLLEGE ANNUAL MAGAZINE

The College publishes an Annual Magazine, rich with contributions from present and ex-members of the staff, students and alumni. The Annual Magazine is published by the Students' Union under the guidance of a committee comprising teachers and students.

GAMES & SPORTS

As the college is committed to all-round development of the students, the college encourages sports activities both indoor and outdoor with special emphasis on cricket and football; organizes intraclass cultural competitions and annual sports meet.

The College attempts to promote sports and games as a matter of policy. Thus, an admission quota for sportspersons has been instituted. Besides, sporting achievements are duly recognized through special facilities offered to deserving players. The College participates in various tournaments organized by Calcutta University as well as by State-level Sports Bodies like the CAB, IFA, and WBTTA etc.

The College has a fully equipped modern gymnasium, where health conscious students and members of the staff can pursue a fitness programme. Inaugurated in early 2005, the multigym remains open on all working days during the College hours. One qualified trainer provides necessary guidance and instructions during exercise.

This pro-sports stance has yielded impressive results in different categories of games and sports, notable among which are the following:

Winner of CAB organized Inter College Cricket tournament in 2008. Runners up in C.U. organized Cricket tournament in 2011-12.

Runners up in Football tournament at North Calcutta district meet in 2011-12, 12-13, 13-14 Winner of Athletics meet organized by North Calcutta district in 2013-14.

Women's table tennis team coming 2nd in Inter-College C.U. Competition in 2013-14 besides being winner in 2012-1

Organizing an inter-college sports meet (Athletics, Football & Badminton) for nongovernment colleges in 2016.

ALUMNI ASSOCIATION

The City College Alumni Association provides a forum for periodic interaction among ex-students of this Institution. The current students are expected to benefit immensely from this Association through contact with the alumni, many of whom can offer career guidance to the younger generation. It is an apolitical organization maintaining liaison between the present and the past and promoting multidimensional activities.

CODE OF CONDUCT FOR STUDENTS:

1. Consumption of alcohol or any other addictive product like cigarettes, gutka, pan masala etc inside the college campus is strictly prohibited and shall invite severe disciplinary action.
2. Keep your campus clean. So spitting and littering in corridors, classrooms etc is strictly prohibited.
3. Avoid loitering in the corridors and sitting on stair-steps.
4. Keep the noise level as low as possible when interacting with others.
5. It is mandatory to carry an identity card so that it can be shown any time to College officials while inside the College campus.
6. Students should be punctual in their class attendance. A student must attend at least 60% of the total number of classes* held and a student having less than 60% attendance will not be allowed to appear at the concerned Semester Examinations.
7. There is no dress code or uniform but students should be decently dressed.

8. Use of mobile phones is prohibited during class hours.
9. College property, furniture, library books, practical instruments, etc. must be treated with due care.
10. Every Student should treat his/her fellow students with courtesy both in and outside of the college. Special attention is drawn toward the importance of being courteous in one's interactions with physically challenged students. There must be no disorderly or offensive conduct at any time.
11. Students are required to check regularly the College website and Notice Board for important announcements.

Anti-ragging Rules:

1. We are guided by the Supreme Court and UGC's advocated guidelines for curbing the menace of ragging in higher educational institutions (Regulation 2013). Students are required to adhere to the anti-ragging rules that are in force in campus.
2. Indulging in or abetment of ragging is a punishable offence and may lead to expulsion from the college.
3. The college has an Anti-ragging Committee.
4. Convenor: Prof. Siddhartha Dutta
5. MOBILE No.: 9831702168

CODE OF CONDUCT FOR TEACHERS& LIBRARIAN:

1. Consumption of addictive products like cigarettes inside the college campus is strictly prohibited inside the college campus.
2. A teacher should process the legitimate academic and administrative decisions taken by the College/University pertaining to his/her sphere of responsibility.
3. Carrying i-cards is compulsory while inside the campus.
4. A Teacher should not discriminate against any student based on religion, race, caste, gender, language, or political ideology.
5. A teacher should not remain absent from duty without the proper sanction of leave.
6. Teachers should work for the holistic development of all their stakeholders (Ex. Students, administrative section) and be punctual in their attendance.
7. Use of mobile phones is prohibited during class hours and while on invigilation duty.

LIST OF HOLIDAYS - 2022

Seminars and Programmes organized by City College in the Academic Session 2021-22

Sl No.	Name of the Programme	Conducted by	Date
1	National Webinar on "Translation: Zoology to Livelihood". Part-I: Fisheries & Apiculture	Dept. of Zoology	07.09.2021
2	'Online Career Talk Programme' Phase I – For B.A Stream	IQAC	29.11.2021
3	COVID vaccination Camp	City College and Kolkata Municipal Corporation	04.20.2021
4	Distribution of Bags and Woollen garments to children residing in roadside in Amherst Street	Social Service cell	24.12.2021
5	Awareness Camp on Student Credit Card Scheme	Student Credit Card Committee	23.12.2021 and 27.12.2021
6	"BLOOD DONATION: UNDERSTANDING, AWARENESS & CAMP"	Dept. of Zoology and BIRATI ICHHEDANA SOCIETY	17.02.2022 and 20.02.2022
7	One day Seminar on the occasion of "National Science Day"	IQAC	25.02.2022
8	Seminar on Guidelines For Career After Graduation for 6 th Semester Zoology Hons Students	Dept. of Zoology	01.04.2022
9	Special Lecture on 'Climate Change' on the occasion of 'World Health Day'	Dept. of Botany	07.04.2022
10	A Visit to "Natun Ghar" (An Old-Age Home for Elderly Destitute Women) - A Community Outreach Programme	IQAC	24.04.2022
11	Seminar on "Human Rights and Gender Sensitization" for students of B.A. 2nd Semester.	IQAC	29.04.2022
12	Webinar on "Intellectual Property Rights" For Students of B.Com. 2nd Semester, City College.	IQAC	05.05.2022
13	Celebration of Rabindrajayanti	Cultural Sub- Committee	10.05.2022
14	Seminar on "Cyber Crime and Ethical Hacking". For Students of B.Sc. 2nd Semester, City College.	IQAC	14.05.2022
15	Annual College Sports	Sports Sub- Committee	16.05.2022
16	Celebration of World Biodiversity Day (Online)	Dept. of Zoology	22.05.2022

**'Online Career Talk Programme'
Phase I - For B.A Stream**

 Organized by
IQAC, City College
 102/1, Raja Rammohan Sarani
 Kolkata - 700009

Speaker

Chandrima Mozumdar
 Deputy Director of Employment
 District Employment Exchange, East Kolkata
 Govt. of West Bengal

Date: MONDAY, NOVEMBER 29, 2021
Time: 12 pm ONWARDS
 (ONLINE THROUGH)

- ❑ This programme is exclusively for students of B.A Stream (1st and 2nd Semester) of City College, Kolkata.
- ❑ Registration must be done by 28/11/2021, 12.30 PM through the following link:
<https://forms.gle/3u3k3t3t3t3t3t3t>
- ❑ Only first 100 registered students will be allowed to join.
- ❑ Google Meet platform will be used for the programme. Meeting link will be sent to enrolled participants through E-mail.

Co-ordinators

Dr. Niral Prasad, V.3, Kalyanpallya
